Voltage Regulator 883071T1 No Longer Available (NLA)

Models Affected

Models Covered	Serial Number Or Year
25 FourStroke	0G590000 through 1B227280 Belgium 0P143643 through 0P401000
30/40 3 Cylinder FourStroke	0G760300 through 1B227280 Belgium 0P143697 through 0P401000
40/50/60 4Cylinder FourStroke	0G231123 through 1B227280 Belgium 0P143830 through 0P401000

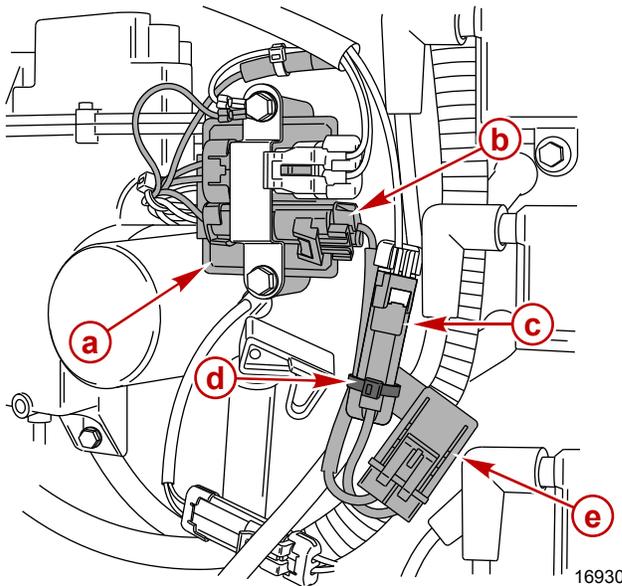

Situation

The voltage regulator that these engines were originally built with is No Longer Available (NLA). Mercury Marine is offering replacement voltage regulators as part of a kit that allows the new voltage regulator to fit onto older product.

Part Interchangeability

All replacement voltage regulator kits will be direct replacements for any voltage regulator used on the above mentioned product.

1. Inspect the engine for the fuse harness referenced below ("c"). If the fuse harness was installed, a replacement voltage regulator 893640001 is the only part required.

- a - Voltage regulator
- b - Fuse harness connector to voltage regulator
- c - Fuse harness connector to wiring harness
- d - Cable tie securing fuse and harness
- e - 25 ampere fuse assembly

2. If no fuse harness is found, reference the chart below to determine which kit number to order for your engine.
