HI-PERFORMANCE MERCUISER OIL RECOMMENDATIONS

Oil Recommendations: All Hi-Performance Engines Except the 800 SC

- S 40W with a minimum SG rating
- S 20W50 with a minimum SH rating and designed for use in turbocharged engines

Oil Recommendations: 800 SC

- S 20W50 with a minimum SH rating and designed for use in turbocharged engines

All Models: Oil and filter should be changed every 25 hours of operation. All owners and operation/maintenance manuals are being changed to reflect these new recommendations.
